

Champ Show & ROT

The Championship Show and Restricted Obedience Trial was held on Sunday 16 May at Bulla. As Ron has mentioned in his report, the success of such an event is only made possible with the support and assistance of many people. Thank you to all who assisted in the organising of the event, setting up and packing up equipment and contributing to the sponsorship drive towards the cost of providing sashes and trophies.

Thank you also to our major sponsors - Royal Canin and Houndbags. Please support them in return.

Chris van Eecklen was our official photographer for the day. Please watch the next edition of the newsletter for details on how to obtain copies of the many photographs that he took on the day.

We greatly appreciate our two judges - David Hepper (UK) for conformation and Margaret Deakes (Vic) for obedience. We worked with the Labrador Retriever Club of New Zealand to secure David and there was a moment of unease when we started wondering if he would get out of the UK to begin his journey to Australia. David and Margaret both indicated that they are now retiring from judging so we were extremely lucky to be able to have them at our event.

Critiques and photographs will appear in the next newsletter, but for the time being, here are the results.
